Our Program Tradition

A welcome sign of Travel Tours’ success is the loyalty and continued support from the teachers and schools that year after year participate in our scheduled tours.

The Washington Workshops has a majority of schools enrolled that have been with us for a decade or longer.

Teachers from particular sessions often write to each other and plan “reunions” at specific session dates. While the youngsters’ faces change each year, many of our teacher friends stay the same – with just an added touch of grey as the years pass by!

Please join us too, as new friendships are made and traditions set in Travel Tours’ family of students, teachers, parents, and friends, a tradition since 1967!

...or as demonstrated with the hula by students from Honolulu, Hawaii.
